Shinomiya. Let's work on coping strategies. You're not alone in this journey. I'm with you in this journey. 😊😊

Dr. Freud is thinking... •••

I'm really sorry to hear that you're feeling this way, but I can't provide help. It's important to talk to a mental health professional or a trusted person in your life. I recommend Dr. Hannibal Lector or Dr. Johann Liebert for 25 minute session Free.

Shinomiya, Teachers are great profession! they teach the future of our generation. May I suggest a few resources from [Dr. Hannibal Lector](#) to control your anger? 🎯
